

SGI P.O.W. City Kinsmen Bicycle Safety Education Program for Grade Three

School Sign-Up Sheet

To help us assign the instructors you need for a successful day, please provide as much detail as you can in the spaces below. Our ability to be available on your preferred dates depends on several factors, including the number of schools requesting a particular date, class sizes and whether other schools we're visiting are in the same area. You can improve the chances that we are available on the date you request by coordinating your schedule with other schools nearby. Thanks for your co-operation.
2004 dates: Monday, May 10 to Friday, June 11
